

### *Faculty of Agriculture*

Agriculture Faculty of Tarbiat Modares University is one of the best higher education institutes of the country in terms of both agriculture and biotechnology which has been established in 1982.

No.	Programs	M.Sc.	Ph.D.
1	Plant Breeding	√	
	Plant Breeding (Molecular Genetics, Biometry)		√
2	Agricultural Economics Engineering	√	
	Agricultural Economics Engineering (Agricultural Policy and Development)		√
3	Agricultural Extension and Education	√	√
4	Soil Sciences (Chemistry and Soil Fertility, Physics and Soil Conservation, Soil Genesis and Classification, Soil Biology and Biotechnology)	√	
5	Soil Sciences (Chemistry and Soil Fertility)		√
6	Animal Sciences (Animal Breeding, Animal Nutrition)	√	√
7	Horticulture (Pomology, Vegetable Production, Ornamental Plants)	√	
8	Poultry Production and Nutrition		
9	Agronomy	√	
10	Agronomy (Plant Physiology, Agro Ecology)		√
11	Food Science and Industry	√	

12	Entomology	√	
13	Entomology (Ecology and Biologic Control, Physiology and Toxicology, Biosystematics of Insects)		√
14	Plant Pathology	√	
15	Plant Pathology (Mycology, Nematology)		√
16	Water Structures Engineering	√	√
17	Mechanical Engineering of Bio-system	√	
18	Mechanical Engineering of Bio-system (Design of Agricultural Machinery)		√
19	Mechanical Engineering of Bio system (Renewable Energy, Post-Harvest Energy)		√
20	Agricultural Biotechnology	√	
21	Water Resources Engineering	√	
22	Irrigation and Drainage	√	√
23	Poultry Science	√	√
24	Weed Sciences	√	
25	Food Technology		√
