Faculty of Mathematical Sciences

In June 2009 the mathematics and statistics department formally became independent from Basic Sciences Faculty and started to work as the Faculty of Mathematical Sciences. There are several departments in this faculty which each has several minors

No.	Programs	M.Sc.	Ph.D.
1	Pure Mathematics (Geometry, Analysis, Algebra)	√	√
2	Applied Mathematics	√	
3	Computer Sciences (Theory of Computation and Scientific Computing)	√	
4	History of Mathematics in Islamic Civilization	√	
5	Mathematical Statistics	√	
6	Statistics		√
