

Introduction

Mohammadreza Pourjafar

Specialist: Urban Design

Academic Status: Senior Professor

PhD: Arch & Planning

MS: Urban Design

BS/BA: Architecture

Address:

Phone: 02182883731

Fax: 02182883731

Email: pourja_m@modares.ac.ir

Biography

Dr M.r. Pourjafar was born in 1956. He gained good experiments in painting & sketching during his high school studies in mathematics. His research interest is Art, Arch., Urban Design & Planning. He received the Gold Medal CCA (Candigarh, India, 1983), Punjab University Medal & Indian Institution of Engineer Medal in 1984. He did MUD from SPA in 1986 & Phd from IIT Roorkee, India in 1992. Prof. pourjafar has published more than two hundred. The books: An Illustrate Guide to the Iranian Code for Seismic Design (standard 2800) & conservation of old town were prepared by him. He was head of faculty of art (T.M.U) until 2008.

He has also worked on the following projects: Design of private houses, development plan Bandar-e-Lengeh and kong, comprehensive plan of settlement along northern side of Persian Gulf. Corporation in planning and side selection of Millad communication tower, landscape design of Tarbiat Modares University, planning of Modares Science and Technology Park, Environmental Planning and Urban design criteria for Darabad river valley & Preparation of comprehensive plan of Sahand new city. (until 2008). He was selected as a distinguish prof. in the field of research in Art & Arch. in Iran in 2010 as well as in 2014.

Research Interests

- 1- Arch. Urban Design and Planning
- 2- Fine Arts (Painting, Music)

Teaching Experience

Courses taught in M .U. D and M. U. R. P.

1. History of cities & urban planning in Iran
2. Theories of urban design
3. Urban form & space Analysis
4. Urban design techniques
5. Evolution of thoughts in urban planning and design
6. Urban design studio(1)
7. Urban design studio(2)
8. Urban planning studio(1)
9. Urban planning studio(2)
10. Seminar
11. Urban conservation
12. Urban design experiences in Iran
13. Urban History

Courses taught in P.H.D. of urban planning

14. Contemporary urban planning and design
15. Urban morphology
16. Architecture of religions
17. Contemporary architecture

Professional Experiences and Positions

Professor of Tarbiat Modarres University, 01/01/1991 - , Tehran, Iran

Dean of research of faculty of art and arch. in Tarbiat Modarres University 1992- 1996

Member of high university council of Tarbiat Modares University

Member of research committee in C.B.R.I of Iran 1992- 1996

Head of faculty of fine arts and architecture From 1996 to 2005

Member of Indian Institution of Engineer

Member of Iranian Institution of Engineer

Consultant architect & urban designer

Design of various buildings and preparation of comprehensive plan of various towns.

Thesis Supervised:

No.	Author	Title	Supervisor/Adviser	Date
.1	Mariam sabaghi	Rural planning for villages of garmdareh , abouzar-naseriehkohak	Advisor	1993
.2	Seid Hamid Reza Dastgheib	Critical Design of Mosque with Respect to Cultural and Religious Aspect	Supervisor	1995
.3	Zohreh Ataie Ashtiani	Programming, Organizing and Planning Paradise of Tarbiat Modares university and Faculty of Art and Architecture Located in of Ghouchak	Supervisor	1996
