

In the Name of God

Scientific Background of Mohammad reza Bemanian

Personal information:

Name: Mohammad reza Bemanian

Date of Birth: 1958

Address: Tarbiat Modares Universtiy, Nasr Bridge, Jalal Ale Ahmad, Tehran

Tel: +98 21 88008090

Fax: +98 21 88008090

E-mail: Bemanian@modares.ac.ir

Educational Background:

1. PHD in Architecture, Faculty of Honarhaye Ziba, Tehran university 1999,

Doctoral dissertation: the Effective Factors on Shaping the Highrise Buildings in Iran

2. Masters degree in Architecture, Faculty of Architecture and Urbanism, Iran Since & Technology University 1990, Dissertation: Ingathering Model in the Old fabric of Semnan

3. Bachelors degree in Architecture, Faculty of Architecture and Urbanism, Iran Since & Technology University 1985, Dissertaion: the Model of International Islamic University

Work Experience:

- Professor of Department of Architecture in Tarbiat Modares University (2012 till now)
- Member of the Urbanism and Architecture expertise group committee in Tarbiat Modares University (2010 till now)
- The head of Department of Architecture in Tarbiat Modares University (2007 till now)
- Associate Professor of Department of Architecture in Tarbiat Modares University (2008 till 2012)
- Technical expert in creating the Models in Tarbiat Modares University (2007 till now)
- Member of the committee of PhD Project Management office in Tarbiat Modares Art and Architecture Faculty (2006 till now)
- Faculty of Department of Architecture in Tarbiat Modares University (1999-2009)
- Member of Evaluation and Supervision council of Art and Architecture Faculty in Tarbiat Modares University (2004 till now)
- Financial and official deputy of Art and Architecture Faculty in Tarbiat Modares University (2001-2003)
- The Head of Project Management Group of Art and Architecture Faculty in Tarbiat Modares University (1999-2001)
- Faculty of Department of Architecture and Urbanism in Iran Since & Technology University (1990-1999)
- Responsible for Pursuit of Educational Purposes in Architecture and Urbanism Faculty in Iran Since & Technology University (1993-1999)
- Activities in Educational Programming of Architecture and Urbanism Faculty in Iran Since & Technology University (1985- 1986)

Membership in Scientific societies

- Member of Specialization committee of Architecture, Urbanism and Project Management Groups of Tarbiat Modares University
- Member of Building new Technologies, Honar haye Ziba Faculty, Tehran University
- Member of Urban Management Journal Committee
- Editor-in- chief & Editor Board of Urban Management Journal
- Editor-in- chief & Editor Board of Honarhayeh Sonati-Eslami Management Journal
- Editor Board of Tarh o Namad Journal
- Editor Board of Naghshejahan Journal
- Editor Board of Maremat&Memari-e Iran Journal
- Editor Board of Motaleate Tatbighi Honar Journal
- Editor Board of Naghsh maye Journal
- Member of Iran's engineers' society (Tehran Engineering Organization)
- Member of Project Management Committee in Iran
- Member of Official Experts of Justice Club in Tehran

Referee of scientific journals

- Modares Honar (Scientific Journal of Art and Architecture Faculty of Tarbiat Modares University)
- Urban Management (Scientific Journal of Centre for Urban and Rural Management)
- Iran Engineering Education (Scientific Journal of Oloom Farhangestan)
- Technology and Education Journal (Scientific Journal, Shahid Rajayee University)
- Bagh nazar (Scientific Journal)
- Geographical Researches (Scientific Journal)

Research Interests

- Wisdom of art, Islamic Architecture and Urbanism
- Criticism and theory of Architecture and Urbanism
- Building Tech and Management
- Urban Management
- Highrise Buildings

Published Scientific Articles: (writer(s) name(s) ,name of the journal, number of the journal, year, pages)

1. Mohammad reza bemaninan, " A View to the Cities of Iran in Contemporary and the Effect of High Structures on them" Expertise journal of settlement and revolution, winter 1997, 53-60
2. Mohammad Reza Bemanian, "Highrise Buildings coming in the Cities" Expertise journal of settlement and revolution spring 1998, 49-52
3. Mohammad reza Bemanian," Introduction to Peymoon and its Role in Iranian Architecture" Modares honar journal, fall 2002 number 1,1-10
4. Mohammad Reza Bemanian," The Effect of High buildings on Young generation and Kids" Modares honar journal,winter2002, 7-12
5. Mohammad reza Bemanian/Mohammad reza Golbaz" Survey on the Effective factors in Metallic High buildings", Settlement and revolution expertise journal, winter 2003, 71-80
6. Mohammad reza Mirzayee/ Mohammad reza Bemanian/ Mojtaba Ansari "The Role of Urban spaces in Welfare and Comfort of Iranian Citizens", Art and life conference, 2003, 193-205
7. Alireza Bozorgi/ Mohammad reza Poorjafar/ Mohammad reza Bemanian"Planning process in Revival of Rivers in the Valleys of Tehran,case study of Kan River valley" Scientific journal of geographical researches,number 76, spring 2004, 53-77
8. Alireza Bozorgi/ Mohammad reza Poorjafar/ Mohammad reza Bemanian " An Analysis about the Planning and Design of the Riverside Eco parks" Fine arts scientific journal, number 20, winter 2004, 47-58
9. Mohammad Reza Bemanian" The Effective Factors on Urbanism and City Planning in the first Pahlavi period" Modares honar journal, number 1, fall-winter 2006, 1-8
